TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Salem, in the County of Rockingham, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the town house, in said town, on Tuesday, the twelfth day of March next, at twelve (12.00) of the clock noon, to act upon the following subjects:

Art. 1. To choose all necessary town officers for the ensuing year.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

Art. 3. To see if the town will vote to raise any more money for the repairs of highways than the law requires.

Art. 4. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass any vote relating thereto.

Art. 5. To see if the town will vote to authorize the town treasurer to hire, with the approval of

the selectmen, such sums of money as may be needed for general purposes in anticipation of taxes.

Art. 6. To see what action the town will take relative of lighting the streets, and raise money for the same.

Art. 7. To see if the town will vote to raise a sum of money not to exceed five thousand dollars ($5,000), for the purpose of providing police officers for the ensuing year.

Art. 8. To see if the town will vote to raise a sum of money not to exceed five thousand dollars ($5,000), for the maintenance of the fire department for the ensuing year.

Art. 9. To see if the town will vote to raise the sum of three thousand dollars ($3,000), or any part thereof, for the removal of snow from the highways and general highway expense.

Art. 10. To see if the town will vote to raise two thousand, twenty-six dollars and fifty cents ($2,026.50), and apply for a like amount from the State to be expended on the Hedgehog and Hall's Crossing roads.

Art. 11. To see if the town will raise the sum of thirty-five hundred dollars ($3,500.00), or any part thereof, to provide a sinking fund for permanent improvements as provided in Chapter 160 of the Public Acts of the 1943 Legislature. Said fund shall be invested by the Trustees of the Trust Fund until expended as provided in said Act. Said money shall be expended by the Selectmen for any or all of the purposes named in the 1944 warrant. Further said

money shall be expended to give the greatest possible employment to returned service men in the process of adjustment to civil life.

Art. 12. To see what action the town will take relative to allowing a discount on taxes.

Art. 13. To see if the town will vote to raise the sum of one hundred dollars ($100), or any part thereof, to maintain and improve the Town Common and the Public Square near Pine Grove Cemetery.

Art. 14. By request of library trustees. To see if the town will vote to raise the sum of one thousand, two hundred dollars ($1,200), or any part thereof, above the amount required by law, for the support of the Salem Free Public Library for the year 1946.

Art. 15. By request of cemetery trustees. To see if the town will vote to raise a sum of money not to exceed five hundred dollars ($500), to be expended in the care of walks, drives and vacant lots in Pine Grove Cemetery.

Art. 16. By request of Ernest W. Young Post. To see if the town will vote to raise the sum of three hundred dollars ($300), or any part thereof, for the use of Ernest W. Young Post, No. 63, American Legion, to be expended in the observance of Memorial Day in the year 1946.

Art. 17. By request of the Ernest W. Young Post, American Legion. To see if the town will vote to raise the sum of five thousand dollars ($5,000), or any part thereof to construct a Memorial to World War II Veterans in the form of a Band Stand on the Town Common at Salem Center and appoint a committee to carry the vote into effect.

Art. 18. By request of Salem Fire Department. To see if the town will vote a sum of money not to exceed five hundred dollars ($500), for the purpose of changing the heating system to oil at the Fire Station.

Art. 19. By request of John Grant. To see if the town will vote to raise the sum of five hundred dollars ($500), to reimburse the town of Methuen for ambulance service and fire protection in the past.

Art. 20. By request of the Supervisors of the Check List. To see if the town will vote to change the final closing date for correction of check lists to the Tuesday prior to the day of election and the first date for correction of check lists to seven days prior to the final closing date as provided in Chapter 32, Section 6 of the New Hampshire Primary and Election Laws.

Art. 21. By request of Arthur Dyke. To see if the town will rebuild and widen the bridge, near Foster's Corner on the Lawrence Road, and appropriate the sum of five thousand ($5,000), or any part thereof and obtain the aid of the State in so doing.

Art. 22. By request of Charles R. Johnson and others. To see if the town will vote to repair with gravel and tar the road leading from the State line on Liberty Street near the residence of Charles R. Johnson to Merrill's Corner, or any part of this distance, and raise money for the same.

Art. 23. By request of Leslie H. Kohler. To see if the town will vote to repair with gravel and tar the road leading from Merrill's Corner to the North Salem Road, or any part of this distance, and raise money for the same.

Art. 24. By request of Water Board. To see if the town will vote to repair with gravel and tar the road leading from Policy street past the pumping station to the State road, or any part of this distance and raise money for the same.

Art. 25. By request of Frank Cote and others. To see if the town will vote to repair with gravel and tar Bluff street, so-called, or to any part of this street and raise money for the same.

Art. 26. By request of Arthur Wilson and others. To see if the town will vote to continue the gravel and tar road from the residence of Arthur Wilson on Wheeler Ave., to Bridge street.

Art. 27. By request of Edward A. Archibald and others. To see if the town will tarvia Pond St. from Hampshire St., Salem, N. H., formerly Sand Hill Rd., easterly to the Methuen, Mass., line, a distance of one mile.

Art. 28. By request of Ralph Gibson. To see if the town will vote to repair the road leading from Mosquito School-house Corner to his residence with gravel and raise money for the same.

Art. 29. By request of Wilbur Loring and others. To see if the town will vote to have Well's Avenue, from McLaughlin Ave., to Riverdale Ave., hot-topped and to raise money for the same.

Art. 30. By request of Burton Ostrander and others. To see if the town will vote to install three electric lights, one on corner of Pettee Road and

Broadway and the other two on Ann Avenue, and raise money for the same.

Art. 31 By requets of Herman and Louise Petrin. To see if the town will vote to install a street light in front of the Petrin home and raise money for the same.

Art. 32 By request of Herman Petrin and others. To see if the town will vote to accept Charles street.

Art. 33. By request of Charles Nelson and others. To see if the town will vote to accept Pettee Road from Broadway to Ann Avenue and Ann Avenue northerly to Seed Street, thence to Broadway, a distance of approximately 840 feet.

Art. 34. By request of Laura H. Taylor. To see if the Town will vote to accept two hundred dollars ($200) from Laura H. Taylor as a perpetual fund, the interest to be expended for flowers to be placed on her lot in Pine Grove Cemetery for Memorial Day.

Art. 35. By request of Jeremiah Towle. To see the interest to be expended in the care of the Jere- ($100) from Jeremiah Towle as a perpetual fund, the interest to be expended in the care of the Jeremiah Towle lot in Pine Grove Cemetry.

Art. 36. By request of Clarence J. Sylvian. To see if the town will vote to accept one hundred dollars ($100) from Clarence J. Sylvian as a perpetual fund, the interest to be expended in the care of the Clarence J. Sylvian lot in Pine Grove Cemetery.

Art. 37. By request of Flora Markey. To see if the town will vote to accept one hundred dollars ($100) from Flora Markey as a perpetual fund, the interest to be expended in the care of the George W. Thom lot in Pine Grove Cemetery.

Art. 38. By request of N. H. Jockey Club. To see if the town will vote to accept one hundred dollars ($100) from N. H. Jockey Club as a perpetual fund, the interest to be expended in the care of the James Munroe lot in Pine Grove Cemetery.

Art. 39 By request of Charles W. Sawyer. To see if the Town will vote to accept one hundred dollars ($100) from Charles W. Sawyer as a perpetual fund, the interest to be expended in the care of the Charles W. Sawyer lot in Pine Grove Cemetery.

Given under our hands and seal this twenty-third day of February, in the year of our Lord nineteen hundred and forty-six.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION
Concord, New Hampshire,

November 8, 1945.

Board of Selectmen,
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Salem, which was made by the Division of Municipal Accounting of the State Tax Commission in accordance with the vote of the town. This audit covered the period from September 20, 1944, date of the previous audit by this Division, to September 10, 1945. The Exhibits and Schedules have been prepared, however, to present the financial activity of the town and its various departments for the fiscal year ended December 31, 1944, and the period from January 1, 1945 to September 10, 1945.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the following officials and departments:

Board of Selectmen
Treasurer
Tax Collector
Town Clerk
Trustees of Trust Funds
Public Library
Water Works
Municipal Court
Pine Grove Cemetery

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit I)

Comparative Balance Sheets as of January 31, 1944 and December 31, 1944, are presented in Exhibit I.

Increase of Surplus:

The Net Surplus increased during the year ended December 31, 1944, by $8,100.64. Gains in Surplus resulted from the retirement of long term notes, increase of accounts receivable, decrease of accounts payable, increase of water department cash balance and other lesser items. Loss in Surplus was due to the net budget deficit. The change in financial condition of the town during the year may be summarized as follows:

Net Surplus—December 31, 1944	$18,224.48	
Net Surplus—January 31, 1944	10,123.84	
Increase in Surplus		$ 8,100.64
Gains		

Retirement of Long Term Notes	$ 7,650.00	
Increase of Accounts Receivable	1,364.92	
Decrease of Accounts payable	1,693.42	
Increase of Water Dept. Cash Balance	3,028.12	
Other Items	144.34	
	$13,880.80	
Losses		
Net Budget Deficit	$ 5,780.16	
Net Gain in Surplus		$ 8,100.64

Comparative Statements of Appropriations

and Expenditures — Estimated and Actual Revenues: (Exhibits II & III).

Comparative statements of appropriations and expenditures as well as estimated and actual revenues for the fiscal year ended December 31, 1944, are presented in Exhibits 11 & III. As indicated by the budget summary, a net overdraft of appropriations of $9,271.65, less an excess of actual over estimated revenues of $3,491.49, resulted in a net budget deficit of $5,780.16.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source and totals of receipts and expenditures verified.

Proof of the Treasurer's balance as of August 31, 1945, is indicated in Schedule L.

TAX ACCOUNTS

The tax warrants and tax sales accounts of the tax collector were examined. Summary statements showing the activity therein for the fiscal year ended December 31, 1944, and the period from January 1, 1945 to September 10, 1945, are presented in Schedules A, A-1, A-2, and M, M-1, M-2, M-3, M-4 and M-5, respectively.

TOWN CLERK

The accounts of the town clerk were examined and audited. All funds received by the clerk on account of the issuance of motor vehicle permits and dog licenses were properly accounted for through remittance to the treasurer or cash on hand. Summaries of these accounts appear in Schedules B and N.

TRUST FUNDS

The trust fund accounts were examined and the securities and savings bank books, representing the principal and unexpended income of the various funds, were found to be in order.

WATER DEPARTMENT

The accounts of the commissioners, treasurer and collector of the water department were examined. Recommendations previously made relative to the inclusion in the printed town report of a summarized balance statement of the receipts and ex-

penditures of the water department and also a detailed statement of expenditures have not thus far been carried out. This information should appear in the next annual report, prepared in statements similar in form to those which are included in this report for the fiscal year ended December 31, 1944. These are as follows:

Schedule D —Water Works: Classified Summary of Receipts and penditures

Schedule D-1 —Water Works: Analysis of Expenditures

GENERAL COMMENT

Attention should be given to the matter of eliminating the "Miscellaneous" expenditure account. In 1944, expenditures amounting to almost $7,000.00 were charged to this account. These items were all reclassified to conform to the uniform classification of accounts and such changes are reflected in the schedules which accompany this report.

It is also again recommended that all bills and invoices which support vouchers issued by the selectmen be made out in sufficient detail to furnish adequate and necessary information. All departmental payrolls should likewise indicate the number of days worked and daily rate of pay for each employee.

CONCLUSION

The accounts and records of all town officials were found in good condition and the accounting procedure, with exceptions as noted, conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1930, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be incluuded in its entirety but the inclusion of Exhibits and Schedules is optional.

We extend our thanks to the officials of the Town of Salem for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director.
Division of Municipal Accounting
State Tax Commission

LAWTON B. CHANDLER,
ALBERT W. JUWEL,
Auditors.

HARRY G. HAGER,
SIDDNEY S. FRISSELL,
Accountants.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire
November 8, 1945.

Certificate of Audit

This is to certify that we have audited the accounts and records of the Town of Salem for the fiscal year ended December 31, 1944, and the period

from January 1st to September 10th, 1945; and, subject to our comments as set forth in the report, found them to be in good order. In our opinion the Exhibits and Schedules included herewith reflect the true financial condition of the town, together with the results of operations for the fiscal year ended December 31, 1944.

Respectfully submitted,

HAROLD G. FOWLER,
Director.
Division of Municipal Accounting
State Tax Commission

LAWTON B. CHANDLER,
ALBERT W. JUWEL,
Auditors.

HARRY G. HAGER,
SIDNEY S. FRISSELL,
Accountants.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Salem qualified to vote in district affairs:

You are hereby notified to meet at the Woodbury High School in said district on the 16th day of March, 1946, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be as-

sessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To choose a Member of the School Board for the ensuing two years.

10. To see if the district will vote to appropriate a sum of fifty dollars ($50.00) for a state audit of the school district books.

11. To see if the District will vote to appropriate a sum of fifteen hundred dollars ($1500.00) for repairing roof and water proofing two exterior walls at the high school building.

Given under our hands at said Salem this 12th day of February, 1946.

HOWARD S. WILLIS,
HOWARD C. SMITH,
CARL E. MANOR,

School Board.

A true copy of Warrant—Attest:

AUDITOR'S CERTIFICATE

(Required by the State Board of Education from all State Aided Districts)

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Salem, of which the above is a true summary for the fiscal year ending June 30, 1945, and find them correct in all respects.

RALPH CALL,
CLARENCE PRATT,
CHESTER HAIGH,

Auditors.

July 16, 1945.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

November 29, 1945.

The School Board
Salem School District,
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Salem School District for the fiscal year ended June 30, 1945, which was made by this Division. Schedules as hereafter listed are included as part of the report.

Comparative Balance Sheets for the fiscal years ended June 30, 1944, and June 30, 1945, presented in Schedule A, indicate an increase in Net Surplus during the year of $5,280.85. An analysis of this change in financial condition is made in Schedule A-1.

Receipts and Expenditures summarized in accordance with the uniform classification of accounts are shown in Schedule B. Proof of the Treasurer's balance, as of June 30, 1945, is indicated in Schedule B-1.

Comparative statements of Appropriations and Expenditures, Estimated and Actual Revenues for the fiscal year ended June 30, 1945, are presented in

Schedules C and D. As indicated by the Budget Summary in Schedule D, an excess of actual over estimated revenue of $572.15, plus a net unexpended balance of appropriations of $478.70, resulted in a net budget surplus of $1,050.85.

Yours very truly,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission.

Lawton B. Chandler, Auditor
Harry G. Hager, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

November 29, 1945

CERTIFICATE OF AUDIT

We hereby certify that we have audited the accounts and records of the Salem School District for the fiscal year ended June 30, 1945.

In our opinion the schedules included in this report present a correct statement of assets and liabilities and the financial transactions of the School District for the period reviewed.

Respectfully submitted,

HAROLD G. FOWLER, Director,
Division of Municipal Accounting
State Tax Commission.

Lawton B. Chandler, Auditor
Harry G. Hager, Accountant

School Board.

Salem, N. H., February 5, 1946.

*$3.50 per $1,000 of taxable inventory is minimun required by law in addition to per capita tax and salaries of district officers.

†$5 per $1000 of equalized valuation must be raised for elementary schools to qualify for state aid.

REPORT OF SCHOOL BOARD

To the Citizens of Salem:

At this time, the school board is privileged to present its annual report to the people of Salem. The period of time covered in this report has been without doubt one of the most difficult in the experience of all of us. The fact that our schools have passed through this year as well as they have, as is indicated by the reports of the superintendent, hearmaster of the Woodbury High School, Music supervisor and school nurse is gratifying indeed, and is a reflection of the excellence of the cooperation among the entire personnel of our school system. For this we are grateful.

Owing to the many difficulties of obtaining proper material with which to make repairs, only those most necessary were authorized, but in no case where possible was anything allowed to go which might have any great detrimental after effect. All were of a minor nature.

Most effort was directed to alleviate the overcrowded condition at the No. 1 School. It had been the intention of the board to transport a number of the pupils from this district to the No. 9 School for which purpose $1200.00 was appropriated. Apparently no transportation was available, so the only solution seemed to be the moving of the closed No. 5 School from its locationon Bluff St. to a site adjacent to the Main No. 1 School Building. After approval by the State Board of Education, this was done. This building is one of the best constructed one-room school bouldings in the district and so was moved with little damage to the building even to the plaster. Placed on a wall of

fieldstone, some interior alteration, an addition on the rear, front vestibule with cement steps and walk, and coat of interior paint make this a bright, warm and very satisfactory room which does temporarily solve our problem. The total cost of this project was $2600, payment of which was obtained by using the $1200 appropriated for the transportation of a less number of pupils than this building accommodates, the remainder of the $2000.00 balance. The $900.00 appropriated for plans for a two-room addition to No. 1 School remains intact. Based on latest advises, to the effect that plans for new school construction will be paid for by the Federal Government upon proper application, it is quite possible that this $900.00 may be saved to the citizens and diverted for some other necessary purpose. Details of this plan are not available as this report is written.

The board wishes to take this opportunity to thank Mr. Paul Farnum, State Administrative Field Agent of the State Board of Education, who was very helpful with ideas, sketches, and suggestions on this occasion as he has been many other times in the past.

The most important item of maintenance now facing the board is that of Woodbury High School. Before any work can be done toward improving the interior walls of the building, the roof must be repaired. For this purpose, an appropriation of $1500.00 is requested, of which sum $1200.00 is the estimated cost. The additional $300.00 is the estimated cost of waterproofing two outside walls of the building. The brick used in the construction of the school walls is porous and requires this treatment about every four years to keep the moisture out. If these two repairs can be made this year, the other two walls can be done

next year and the inside walls decorated in a satisfactory manner.

Looking toward the future, the board feels that the greatest need in the nearest future is some addition to the High School. First, so that additional class rooms may be available for a greater variety of courses and to relieve the too great number of pupils per room in the Junior High School. Second, to provide a larger auditorium which will be standard for basketball and capacity for spectators, as well as for use by the growing community for town affairs, school and public functions inasmuch as there is no other hall in the town large enough to serve the community properly and, third, for showers and better accommodations for our athletic programs. There has been a strong feeling both among the townspeople as a whole as well as those responsible for the education of our children that something of this nature should be seriously considered. As soon os forms are received so that the biard knos what the Federal Government requirements are, steps will be taken to have these to present to the citizens for their consideration.

The budget as presented this year shows an increase of $5500.00 over last year. Of this amount, the $2000.00 balance deducted last year was used in the maintenance of and expenses incidental to relieving the congestion at No. 1 School. There is also an item of $1080.00 as the payment of the school district to the state for the teachers' retirement fund. The law states that the district must pay an amount equal to that paid by the teachers who have signified their intention of participating in this plan. The remaining $2400.00 is to cover increased salaries as well as the increasing cost of fuel and supplies.

In view of the upset conditions in all markets at the present time, it is difficult to estimate these increased costs, especially as this money will not be used until July 1, 1946, and must last through June 30, 1947. Everyone anticipates that price increases will be substantial so that the board hopes that the amounts requested will take care of our running expenses during that period covered by the budget.

The school board wishes to thank all those who in any manner have contributed to the welfare of our school system, and there have been many, and at the same time to express the belief that only by such continued spirit of cooperation can we realize the greatest good for all of our schools.

Respectfully submitted,

HOWARD S. WILLIS,
HOWARD C. SMITH,
CARL E. MANOR,

School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Salem:

It is with pleasure that I submit my annual report as Superintendent of Schools. This report deals with the Salem Schools for the school year July 1, 1944 to June 30, 1945. It is accompanied by Headmaster Rourke's excellent report for Woodbury High School and by equally satisfying reports by Mrs. Soule and Mrs. Thompson.

As in the past I am presenting information about our schools in statistical form. Many interesting facts can best be shown in this manner. I commend these tables as well as the reports just mentioned, to your attention.

Three teachers resigned at the end of the last school year. Miss Eva Belle Anderson resigned her position as teacher of Social Studies. Her place was filled by the appointment of Mr. Cleon Hatch. Mrs. Mary A. Connorton resigned and the vacancy thus caused was filled by the appointment of Mrs. Bernice Chadwick Billewicz. Mrs. Billewicz's place at Number Eight School was taken by Mrs. Eda Cnossen. Mr. Wendell Davis was appointed coach and teacher of Mathematics at the high school.

The enrollment last year was 658 as compared with 679 the year before. The school attendance averaged 92.8 per cent of the membership. Forty-nine boys and girls completed the work of grade eight. Forty-seven of these have entered a high school.

The Good Citizenship medal was awarded to Maureen G. Haigh. The Scholarship Medals given by the Salem Board of Trade to eighth grade students for excellence in scholarship were awarded as follows:

Gold Medal	Paul Reininger
Silver Medal	Dorothy Brown
Bronz Medal	Elizabeth Turner

For a number of years the five towns that make up our Supervisory Union have owned and used a silent motion picture machine. The motion pictures have been very helpful, especially in the teaching of History, Geography, and Health. At present the majority of recent educational films are made for sound machines. I hope it will be possible soon to exchange our projector for a sound machine. The rapid rate of learning in the army is attributed, to a considerable extent, to the use of motion picture machines.

Nearly every classroom has one or more children with some hearing impairment. The average for the country is three such children per classroom. Hearing impairment can be measured by a special scientific device called an audiometer. These tests are to be given to all children during this school year by Mrs. Soule. An audiometer has been loaned to us by our State Board of Education. It has been found that 60 per cent of the hard of hearing can be given the aurological care he needs. These children that the doctors can not help become educational problems. Instruction in lip reading becomes necessary in extreme cases. Speech defects are often caused by inability to hear certain sounds.

We hope it will be possible to hold a dental clinic soon.

Last Spring the New Hampshire Legislature passed a revised Teacher Retirement System which gives our teachers worthwhile retirement privileges. Women may retire at sixty years of age and men at sixty-five, providing their term of service meets the requirements. The retirement fund is built up by contributions, both by the teacher and the school district in which she is employed. A majority of the teachers of our state have joined the retirement system. Teacher Retirement Systems help to build better schools by maintaining efficiency and economy in the use of school funds; by raising the morale of the school personnel; by holding good teachers in public school service.

The school nurse, Mrs. Jessie Soule, R. N., is continuing her good work in the schools. She has made many home calls as well as the regular school visits in the interest of children's health. She has been generous in furnishing transportation to children at clinics and other remedial work.

"War Stamp Day" became a weekly institution during the war. It helped children learn to save, by making it easy for them to save. It taught arithmetic, attitudes of responsibility, and an appreciation of the citizen's part in government. Schools that wish to continue in peace time the educational advantages of "Stamp Day," will be able to get United States Savings Stamps as formerly. Study units and teaching aids in the field of personal money at least some will be available. It is hoped that at least some of our schools will continue this valuable project.

Teaching of the basic skills is the essential task of the schools and it has been our plan to see that the job is thoroughly done by means of the best accepted methods. In order for pupils to succeed in school work, it is necessary that they possess a good foundation in reading habits and abilities. For this reason a substantial part of book expenditures has been to continue to equip elementary grades with a good reading system supplemented by work book exercises for reading growth, with correct language habits in writing and speaking.

The progress made by each pupil in grades one to eight will be checked by an achievement test during the year and as early as possible after the middle of the year. These tests help us understand the educational needs of the child and the class.

It is the duty of the Superintendent and school board to look forward. They must attempt to project the school system into the future and attempt to solve the problems of a complete, after-the-war society. Last Spring your board decided to requeust Mr. Paul Farnum, building expert, at the State Board of Education to come to Salem and make a survey of our building situation. The following is a part of Mr. Farnum's report:

Recommended Post-War Program For Salem

An attempt was made during this survey to set up a future program for public schools that could be worked out efficiently in the district and improve the present facilities. It is expected that this program would include:

1. Junior-Senior High School (6 years) at the Woodbury building.

The present Woodbury High School while it is modern, well constructed and planned for a rural building, it is inadequate in size and facilities for a junior-senior high school in Salem. Any future plan for the community should include a building that would not only accommodate its 225 pupils but all of the children in Grades VII and VIII in Salem. The building would require the following additional facilities.

(a) Practical arts facilities for the boys.

This would naturally include two large shop rooms offering possibly general mechanics as well as specialized work in a field essential in the community. Rooms of this type should be on the ground floor with a large entrance for motor vehicles sufficiently removed from the building to eliminate the noise problem and in rooms that are practically fire proof. It is remommended that these rooms be at least 24 x 40 each.

(b) Additional classrooms are needed for the junior high school groups.

While an attempt has been made to split up sections in mathematics there are at present as many as forty pupils in one science class. It is recommended that there would be four divisions in the seventh and eighth grade of pupils receiving the subjects recommended in an approved junior high school. This would necessitate at least two additional classrooms in the building.

(c) While the present gymnasium auditorium facilities are adequate for a small school, they are not sufficient for a school of this size. Since basketball is the most popular winter sport, a gymnasium is needed with a playing court at least 40 feet by 70 feet,

or preferably 50 feet by 80. Together with this gymnasium auditorium there should be supplied adequate locker and shower rooms for both boys and girls. The present facilities are absolutely inadequate for the present group. The gymnasium auditorium should have a suitable stage, with ample depth and height for school and community purposes.

(d) While there is at present a very adequate home economics laboratory no facilities are provided for the preparation of noon lunches and the eating of them. Any addition to the building should very properly include a noon lunch room and suitable cafeteria. Often the cafeteria room also serves as a part of the home economics department equipped with tables or benches for classwork in sewing and recitation.

It would appear that these improvements could be carried out by the construction of a wing on the east and west ends of the present high school following the plan at the Kennett High School in Conway. One wing serves as the auditorium gymnasium with the entire area under the gymnasium accommodating the shop classes with adequate shower and locker facilities, and the other wing providing classroom cafeteria service and any additional classrooms that might be needed."

In case the high school is to be enlarged there should be made a study of the curriculum to be followed in the building in the future. Assistance for this study could be obtained from the State Board of Education. After the local adoption of the recommendations resulting from this study, then it would be possible to plan additions that would meet the needs.

For the Teachers, the School Board, and myself, I

express the common desire that a larger number of parents and friends visit the schools. If parents will come to school to see their children at work, what they are doing, what they are given to do with, and how their work is directed, it will give them first hand information concerning our schools.

In conclusion I wish to express my appreciation of the fine spirit of cooperation on the part of the School Board, Teachers, Local Organizations, and the Community.

Respectfully submitted,

WILLIAM J. NELSON,
Superintendent of Schools.

Schools open	April 22 (Monday)
Memorial Day	Schools close May 30 (Thursday)

Schools close:

Elementary schools close after 175 days of school.
High schools close after 180 days of school.

REPORT OF HEADMASTER

To Mr. Willia J. Nelson, Superintendent of Schools:

I hereby submit my annual report as the headmaster of Woodbury High School.

The total enrollment which on the opening day, September 5, 1945, was 216, has increased to 233. Following is a table of enrollment by classes:

Grade	Total Enrollment	Discharges	Present Enrollment
7	44	5	39
8	36	1	35
9	57	7	50
10	37	0	37
11	32	1	31
12	27	1	26

There have been six tuition pupils in all, 5 from Windham and 1 from Atkinson.

Of the 19 graduates of 1945:
4 entered the University of New Hampshire.
3 entered the armed services.
2 entered McIntosh Business College.
1 entered Burdett Business College.
1 entered Lawrence General Hospital Nurses' Training School.
1 enrolled as a post-graduate.

Some of the others, especially the girls, have, with the training which they received at Woodbury, been able to obtain desirable positions. The boys, on the other hand, find their training, although very worthwhile, not a direct aid in getting the job for

which they are adapted. These boys are in competition with those of other high schools which offer a four year course in industrial arts. It is most unfortunate that some of the graduates must continue to be handicapped in this way, as must those boys of Salem who are not well adapted to book learning, and so, becoming discouraged, give up the opportunity of a high school education.

As in the past there have been no radical changes in the general policies of the administration of the high school. Those activities, such as fundamentals, assemblies, clubs and dances, which have proved to be worthwhile have been continued. The guidance program, which last year included the administering of the Kuder Preference Test and the California Personality Test, is being modified and expanded to some degree. No program is suitable for all schools so we are continuing those phases which seem worthwhile at Woodbury and are eliminating and modifying those that do not really fit into our program. In this way we hope to have a plan that really is the best suited for our school. A physical education program for boys in grades seven and eight has been adopted. If to this training industrial arts could be added the younger boys would have a much more rounded curriculum.

The annual operetta, Sonia, was presented in the fall. Hot lunches are being continued, with an opportunity for free lunches for some being afforded by contributions from the members of the Salem Woman's Club. The senior play and the dramatic contest will be given in the spring. In all these activities the pupils and teachers work as a team so that the success is due to the efforts of many rather than to the sole efforts of one.

The athletic program of the school has once again been placed in the hands of members of the faculty, Mrs. Billewicz and Mr. Davis. Six-man football under the direction of Mr. Davis was unusually successful, both from the angle of wins and losses, and also in view of the excellent sportsmanship displayed by the boys on the field. Both of these characteristics are being continued in basketball, and althouguh we are tremendously limited by the playing space, the playing floor, the space for the spectators, and the lack of showers, much interest is being shown. The solution to the problem which will continue is a real gymnasium equipped for indoor athletics, having showers and ample space for the many spectators who in the past few years have been forced to stand in the doorways or corridor in order to see parts of the game or to obtain an occasional glimpse of the players. The genuine interest in our athletic program shown by the townspeople is exemplified by the unusual success of our Booster Day in the fall, the supper given to the members of the football and boys' basketball squads by the Men's Club, the silver basketballs awarded to senior members of the girls' basketball team by the Woman's Club and the white sweaters given to senior members of the football team and the girls' basketball team by the citizens of Salem.

The spirit of the school is good. It is a true spirit founded not on athletics alone, but upon those features which go to make a well rounded, worthwhile school. Pupils on the whole want to learn. The teachers are eager to help them. To really do this necessitates the cooperation and understanding of the parents, and so once again I urge all of the fathers and mothers to come and see the school in

operation, know just what type of school your children are attending, and offer us any information about your children that will enable the school to be even more successful than it is at present.

In closing, I wish to express my sincere appreciation to all, both the school authorities and the townspeople, who have in any way helped in making my year the pleasant and satusfactory one it has been.

Respectfully submitted,

EUGENE ROURKE.

REPORT OF SUPERVISOR OF MUSIC

To Mr. William J. Nelson, Superintendent of Schools:

I hereby submit my annual report as supervisor of music in the Salem Schools.

The music program in our schools provides an integrated experience which develops an understanding of and a love for music. The first step is to let the child listen to the singing of simple songs with a good tone quality. His next step is his own acquirement of a beautiful tone. Along with the development of tone quality, consideration is given to expression and diction. As the children develop in singing, listening, and music reading, they learn to sing in parts, always an interesting experience. The adult male voice becomes inteersting as a conscious singing and listening experience as the boy's voice changes. It is usually at this time that such classifications as soprano, alto, tenor and bass take on a definite meaning.

Listening is the basis of all music learning. In music study, from the first song taught by imitation listening remains of great importance through the succeeding years. Through listening children become acquainted with the music of the master composers.

The operetta "Sonia," by Harrison and Wilson, was presented by the Woodbury High School students on November fifteenth and sixteenth. The

cast consisted of eleven principals supported by a chorus of fifty voices.

For your co-operation and that of the teachers, I am most grateful.

Respectfully submitted,

EVA W. THOMPSON.

ANNUAL REPORT OF SCHOOL NURSE
1944-1945

To Mr. Wm. J. Nelson, Superintendent of Schools:

Number of pupils examined	628
Notification of all defects found were sent home	
Number of visits to schools	495
Number visits to homes, follow up work	143
Defective Teeth	310
Corrections	199
Diseased Tonsils	33
Corrections	19
Nervous Condition	3
Under Treatment	1
Enlarged Glands	7
Corrected or Improved	7
Pupils taken to Psychiatrist Clinic	3
Pupils taken to Ophthalmologist	2
Glasses financed by State Sight Conservation for pupils.	2

Cod Liver Oil distributed to many needy families, financed by Salem Womens Club.

State Department of Health and State Department of Education, combined their efforts to prevent as far as possible any spread of diphtheria by an intensive program of immunization.

A clinic was held in our local elementary schools, including all pre-school children from nine months up to school ages through the fourth grade.

One hundred forty-five children were immunized, sponsored by the Salem Woman's Club.

CASES OF COMMUNICABLE DISEASES

Scarlet Fever	1	Measles	5
Whooping Cough	13	Mumps	12
Skin Diseases	38	Pediculosis	14

I wish to express appreciation for many kind acts of assistances to the School Organization, Parents and the Salem Woman's Club.

Respectfully Submitted,

JESSIE REBECCA SOULE, R. N.

Union 55, Salem, Plaistow, Hampstead, Newton, Atkinson.

VITAL STATISTICS

TO THE SELECTMEN OF SALEM: I hereby submit the following records of births, marriages and deaths to the municipal officers for publication in the annual reports:
